BRETT ROSSI

RABBIT IN THE HOLE

What were you doing six months ago? Working at the same shitty job you have now? Well, Brett Rossi's been busy over the last six months. She's built a porn career for herself. Following in the footsteps of her Grandmother—who was a Pepsi Cola model in the 1950s—Brett worked as a runway model from the ages of 14 to 18. But once she turned legal, she was told she was too short to continue working as a runway model. Fucking fashionistas! The fashion world's loss was the porn industry's gain however when in March 2011 Brett decided to enter the XXX game. Now she's got more than 30 solo and girl/girl scenes under her belt, and she's considering jumping into boy/girl scenes. "When the time is right, I'll do it," Brett says. "I love sex and I love men, so it's only a matter of time." We're here to help if you need practice, Brett! 🍷

**HAVE A HOLLY
JOLLY XXX-MAS!**

Looking for the perfect holiday gift? It's in Jesse's panties!

D Hi everyone! 'Tis the season to be jolly... and horny! I have quite a few ideas on how you can put smiles on the faces of your loved ones and "stuff their stockings", so let's get to it!

Many adult novelty companies market holiday-themed sex toys that are sure to brighten your holidays. There are lots of cute ones on the market, but my favorite is the Pirates Pendant Vibe from Digital Playground Novelties. It has five different speeds and it's waterproof. It is the only pleasure product that doubles as jewelry—and what girl doesn't like jewelry? Win-win!

Another one of my favorite holiday toys is the adorable candy cane vibe. What does it do? Well, you untwist the bottom of the candy cane, and you pull out the stick, which is a candy cane vibrator. It's got three speeds, and even though it's very powerful, it still runs quiet. You can get away with stuffing this into your girlfriend's stocking while her parents are in the next room wrapping presents!

Another cute idea is the holiday Pez dispenser vibe. Yeah, it looks just like an actual Pez dispenser—it even comes with candy in

the package! But when you tilt back Santa's head, there's a power switch. Flick it on and Santa's head starts to vibrate. Rub Ol' St. Nick against your clit and prepare yourself for some Christmas magic! Santa Claus is definitely "cumming" to town – and going downtown!

Dressing up in a sexy holiday costume can also help make the season bright. Guys, all you need is a Santa suit. Then have your girl sit in your lap and tell you what she wants for Christmas. She'll know what you want when she's sitting there—it'll be hard, throbbing, and poking her in the ass! It doesn't have to be a full Santa suit if you want to make it sexy, guys. Get the decorated little Christmas thongs that show off your Yule log.

Girls, there are tons of sexy outfits you can wear during the holiday season. If your man is dressed as Santa, then be "Santa's Little Helper," and help him hoist his bloated red sack. You can always dress as Mrs. Claus in a nice tiny skirt with white fluffy lining and a sequined bra top, red stockings, and black pumps. It makes for a very merry Christmas. Trust me...be a ho, ho, ho!

Now last, but certainly not least, you can give the gift that keeps on giving, like Digital Playground porn! It keeps getting you off over and over again, as many times as you watch. I highly recommend my newest movie *Fighters* as an amazing gift that I promise anyone will love. Give it as a dirty gift at the office or a friend's party. It will be the one present people keep fighting over!

I hope I helped with some ideas for holiday gift giving. Most of all, be good to each other, and give the gift of *you* to the people you love.

Happy holidays! 🍷

SUCKLED & SODOMIZED

Shyla Stylez and Audrey Bitoni are having a party! The guest list is pretty modest, though—Mick Blue is the only person on it. “Where is everybody?” he asks after entering Shyla’s apartment. “Just a party of three,” Audrey says. “It’s a ménage-a-trios!” Mick sighs. He’s already fucked three women today, and was looking forward to a relaxing evening of cold beer, cocktail weenies, and pleasant conversion. But he has a hard time resisting when Shyla pulls off Audrey’s top and starts sucking the brunette’s big boobs, her ass wiggling provocatively in Mick’s face. His boner starts to grow. Looks like a man’s work is never done, Mick...you lucky fuck! 🍆

MS. JANE'S JUICY ROLES RUN THE GAMUT FROM HARD-HITTING SLUGGER TO COCKSUCKING CHUGGER

Interview by Lisa Gray

Probably one of the most prolific faces in porn history, Jesse Jane has captured the hearts, cocks, and cunts with her down-to-earth warmth, flawless features, and her insatiable fucking style both on screen and off. With one year away from Hall of Fame recognition, the titillating Texan has reassured fans that even with her own business, not to mention her non-stop touring schedule—Miss Jane is far from retirement, only proving her loyalty to the industry, and her pivotal role as a Digital Playground contract star. Now in her tenth year, Jesse has advanced her original role in the summer release, *Babysitters 2*, and in the fall, fans can expect a more badass Jesse Jane in a real fight scene with Kayden Kross in *The Fighters*—a role that shaped not only her ass with three months of unrelenting boxing training—but also, her dedication as the hardest working woman in hardcore. And if you disagree, watch out—she just might kick your ass.

Let's talk about *Babysitters 2*. You're the head babysitter now, so what can we expect from you the second time around?

Well, it's funny. This time, I'm the one looking for the babysitter, so I scout out all the sitters, and, of course, they're all slutty as can be.

What would porn be without slutty babysitters?

Exactly! That's perfect! And, I just hire out people to babysit, and Manuel [Ferrara] plays my boyfriend, so, of course, I play a scene with him as a babysitter [sic]—role playing—and then, all the girls who work for me at the end—this is what everyone will love—at the end, I make Manuel—who has a babysitter fantasy—and I make all the girls who work for me come and surprise him for his birthday, and we do this orgy, and we're all like, 'You've been a bad boy, you have to sit in the corner.' It was fun!

I noticed that Digital Playground likes to do that a lot, with the orgy at the end. I feel like that's always a Digital staple, and not many production companies do anything that substantial, and Digital really nails that on the head.

Well, you gotta mix it up, and the thing is, when you do a feature movie with all the girls—and we do two feature movies with all the girls together—and Digital does that for all the girls to get their way. They want all the girls in the movie, because they love all the DP girls, but they don't want to see just one or two of them—they want them all together. So, we've been doing that, and it seems, like, to

really work out really good, and it seems to be the most popular scene.

And they always manage to make everyone look so awesome. Even the last orgy scene in *Top Guns* was killer. Everyone was going for it.

Wait till you see the movie—Kayden [Kross] and I were a month in a half or two months into training for the movie—*The Fighters*. Well, nobody in porn tells you to gain weight, or train, and it's funny to watch how Kayden and I usually are, and in this movie—*Babysitters*—we're almost two months into training, and you can really see the difference because it all went to our ass, because all the jump rope and training we had to do for boxing, because we had to train for three months for *The Fighters*. Kayden and I laughed when we saw the trailer, because I'm like, 'Oh, yeah, see, we're almost two months right there.' What a big difference it makes on your ass! Well, I look at it [my ass in the trailer] and I'm in this itty bitty skirt, and it's all solid, and I'm like, 'Oh, my god!' So, it's our joke between us [She and Kayden] and when you see *Babysitters*, nobody knows that we're half way into that movie, so I'm like, 'Oh, yeah, there we are. There's that boxer ass.'

Your ass must look killer, though.

It's huge! It's huge! When you gain that much muscle—I gained 16 pounds of muscle—by the time I finished shooting it—about a

JESSE JANE

“I’m always at the top of my game. I’m still doing it.”

month and a week ago—and it was a pretty long movie, we shot for about two and a half weeks—and we had a fight, and it’s not like you gain weight—you gain muscle—and I have six to seven pounds to go, but it’s all muscle, and it makes my ass pop out like crazy! But, everyone loves it, but me. But, everyone in the company says how unreal the movie is—they all say it’s on *Pirates* [*Pirates II: Stagnetti’s Revenge*] level. They only showed a 15 second clip of Kayden and I in our real fight, when we actually throw down for real, and we look sick. I’m like, ‘Damn, we’re ripped!’

How was the actual training for *The Fighters*?

It was fun as shit! I didn’t know I would love boxing so much!

Are you going to keep up with it?

I haven’t yet, because I’m trying to slim down, but maybe about once a week. It was fun! It was like a stress reliever, but I had fun doing it. It’s crazy, I still fit in zero’s which is all I care about,

but it just fits different—like, my ass feels different. That’s why I don’t get on a scale anymore because my muscles—I have like, six-seven pounds of muscle—and I’m like, ‘You know what? Just get off it’ (laughs). ‘You’re still in zero’s. Don’t look at that thing.’ (Laughs). I did cardio with mine, and it did nothing. I was boxing for three months—two hours a day unless I was out of town—and I canceled most of my things because I didn’t want to dance, and because I was so focused. I had to gain the weight, I just didn’t feel comfortable dancing, and I was boxing two hours a day, minimum five days a week—six or seven when it was closer to the movie—and walk five miles a day on top of that, after I’d get my boxing done. Besides *Pirates*, this was the hardest movie I had to do, and you’re so proud of it, and you had to get really emotional. I had a character with a fucked up childhood, and I had to cry. I’m like, ‘I’m not a cryer!’ (Laughs). I’m in a badass movie, and you’re going to make me cry?’ But, they [Digital Playground] were so good about making sure they had everything for us, and it makes Kayden and I look really good. And I give her [Kayden] mad respect because nobody is told to gain weight and actually train and develop a skill for that long, and then really take it in stride, and I just give her a lot respect, because most people can’t get into character, and they’re like, ‘Oh, my god, I can’t gain weight. I’m not going to do that.’ It made me give her mad respect. It’s called playing a character.

JESSEJANE

Being the face of Digital Playground, what has been the most challenging, and best part of your contribution? Is it natural for you to get into character easily?

Well, the most challenging thing is that you're always the face. Anytime we're going for new girls, I kind of have to mommy them, and some of the girls are just not cut for [the industry] or, they're always in and out, so I always have to lead as an example and to be a team player. You still want people to sell it. A lot of people try and knock me down, and it's because they're jealous. But, I'm always at the top of my game. I'm still doing it. Most people are really cool, and most of the girls at Digital like Kayden, Riley [Steele], Stoya, and Selena [Rose]—amazing. So, I get to work with beautiful girls like them, and I get to work for a company that puts out badass shit. [And], Robby D.—I love Robby D.

He's a great director.

He's a great director, he writes badass scripts, and he's fun to work with on set. He's not an ass, and he makes working on set fun. We get to shoot out great products, and I get to travel the world, and there's always parties. There's so many benefits being a contract girl. I've always been fortunate.

With Digital Playground's new line, *Jewelbox*, are you going to be doing anything with them, or are you sticking with traditional Digital Playground?

I don't know. It's not that I wouldn't, but with my level with Robby D.—we have something—and to me, I really want to shoot his stuff. And it's no offense to *Jewelbox*—I love girls—I fuck girls all the time—but, I would just rather shoot with Robby D. because him and I have been in it together—we both started at Digital at the same time—so, we've had this thing, and we've always had a thing—and I really wouldn't want to stray from Robby, besides Joone who owns the company—who does *Pirates*, and *Island Fever*. But, Robby and I have a whole different relationship. I don't know, it's not like it would be going against him, or that he would care, but I just wouldn't do that to him.

With the characters you play in planes like in *Fly Girls* and *Top Guns*, which ones did you fun with most, and did you ever join the mile high club in real life?

Oh, yes (Laughs), I've definitely joined the mile high club several times.

“I love girls. I fuck girls all the time.”

Most people—even porn stars—say how hard it is.

It is very hard! I've done the whole thing where you put a blanket over you and you give each other a handjob and you get fingered—but, in the bathrooms it gets tricky, because it's hard to have someone so tall like my husband who can barely fit in there by himself anyway.

But it's not so bad because you're so little.

You just have to sit in the little bitty corner by the sink, or you could stand up, and the guy could be behind the door, and you jump on him in the back of the toilet, and you can ride him in the air.

Since a lot of veteran porn actresses start to lean more towards pussy than prick on screen, do you see yourself slowing down? Or will you do boy/girl until you're done performing?

I love boys and girls, and I will never stop doing boy/girl. I will be doing boy/girl and girl/girl until I'm done.

Who are your favorite girls to fuck?

That's so hard because there's so many hot girls. God, it's so hard to choose. I love Kayden, I love fucking her—she's become one of my favorites. I love Riley, of course, and Kirsten Price. She's yummy. I love her. She's crazy like I am.

What is it about Kirsten that you love so much?

I've known her for about 12 years. We did Hawaiian Tropic modeling together. Kirsten and I were tag team partners before, we've had vibrator parties with our girlfriends. And she's crazy and horny like I am all the time.

What's new with your website?

We do a live show every other week now, on Wednesdays. Kayden and I switch weeks, like she'll do her live show one week, and then I do one the following week, so we switch weeks. I put up daily pics and daily videos all the time, and updates of anywhere I'm going to be, but the live shows has been going really good.

Do you have any more feature dancing? Or, are you just going to focus on your movies?

No, I love feature dancing. I just got back from a huge tour in Toledo, then Detroit, then Kalamazoo and I'm going to be dancing in North Carolina next and then Wisconsin of all places. I've never even been there, but I'm excited for it. I love dancing, though. ❤️

This is the greatest vibrator in the world!" she says. What else can the girls do but put their toys to the test, running those buzzing pleasure wands over each other's clit, and licking up the free flowing fuck juices? See girls, it's not the size of the wand, it's the magic of the magician. And clearly, you both have some tricks up your sleeves... 🍷

LEX THE IMPALER #7

Petite Sluts Take A Spin On Lex's Real Steele!

By Kotch Johnson

30090

No offense to Sean Michaels, Mandingo, or any of the other oversized brothers out there, but Lexington Steele is truly one of the biggest and best black men in the industry, and his *Lex The Impaler* series, now in its seventh installment, is perhaps his finest work to date. Matched up with some of the hottest adult stars in the jizz-biz, including the recently retired Lela Star, Angelina Valentine, Jada Stevens and anal rookie Alanah Rae, Lex wields his butt-stuffin' nightstick like the consummate cum-spewing professional that he is. So sit back, relax, and join us as we go On the Set of *Lex The Impaler* #7, and see why you'll be in seventh heaven!

Photos courtesy of Jules Jordan www.julesjordan.com

ON THE SET

Lela Star

Our favorite Cuban cutie may be gone from the biz, but she's far from forgotten, and was kind enough to leave behind a few good nuggets we haven't seen yet, such as this scene. Lying on the bed in a pink blindfold, Lela may not be able to see, but she sure can feel when Lex lowers his massive man-meat into her mouth. After a supersonic suck-off, Lex removes Lela's blindfold and face dives between her ass cheeks, lubing her asshole with his slobber before she hops on top for an anal cowgirl ride. For not having done much anal over her storied career, Lela sure seems to know what she's doing, enjoying her fair share of ATM in between her butt-hole surfing duties! After cramming her can full of fuck-stick, Lex explodes on her face and calls it a day—talk about starting things off with a bang!

Franceska James

The scene starts out in the dark as Franceska's silhouette slowly comes into focus. As the room becomes fully lit, you can see that the ass in her skirt is cut out so her booty cheeks stick out—the perfect view for her to climb the stairs and introduce herself to Lex. A couple ass smacks later and Ms. James has Lex's ridiculously long sword swallowed halfway down her esophagus! Busy as she is, Franceska still manages to finger her ass before Lex eases into mish anal, forcefully followed by spoon, doggie, reverse cowgirl and cowgirl. Once his anal impalement is complete, Lex launches his load all over her tits and tummy when he overshoots her face—oops!

Angelina Valentine

Angelina saunters around the pool before jumping in the water and pulling off her bottoms so she can more easily finger-fuck her posterior pinhole. Then, wuddaya know, Lex majestically appears just in time to stuff his sword down her throat! After deep throating that angry black missile, they move inside and Lex fucks her pussy before humping her heinie-hole every which way. She sucks off her own ass juices like she's licking a tootsie roll, then strokes him off into her mouth and swallows every drop—atta girl!

ON THE SET

ON THE SET

Alanah Rae

As far as we know, Alanah's only ever done one other anal scene, so she's pretty new to the experience to attempt an anal defiling from that giant Lex-pecker. While it seems like an ambitious endeavor, Alanah proves up to the challenge, taking his cock in her butt like a seasoned rear-entry veteran! The busty blonde mixes in some sweet titty-fucking and plenty of ass-to-mouth taste testing too, completing her cycle of filth by swallowing Lex's load with a smile on her face!

Jada Stevens

We've seen quite a bit of Jada Stevens in fuck films this year, and she's really been coming into her own. Now she takes the next step down on the depravity ladder as she spreads her sweet cheeks apart and lets Lex gape her quivering asshole with his massive missile! This girl's ass control is amazing, she can make a booty clap like her butt has a life of its own. Lex returns the applause by slapping his trouser snake on her ass before banging her beautiful butt. Jada rides 'em cowgirl until Lex unloads all over her face—what a lovely disgrace! 🍆

ADRIENNE

**HARD TO
REACH
PLACES**

Hot water sprays down on Adrienne Manning, turning her skin vivid pink. But she still can't seem to get clean. "There's this damn spot...it won't come out!" she says. The spot in question was a sticky glob of cum running down the inside of Adrienne's inner thigh. It was left there by her boyfriend's father. She went over to her boyfriend's place a few hours ago, but he was at class. But his Dad invited Adrienne in for a drink, and—three beers later—she was down on her knees, sucking his old man cock down to the root, and spreading her pussy open to accept his ancient tool. Now Adrienne feels bad about it. Even though the old man's spunk washed down the drain long ago, she still sees it tainting her skin. Don't worry so much, Adrienne. You're boyfriend will understand. Cuckolding comes with the territory when you have a girlfriend as hot and horny as you! 🍆

ARDEN & LOVELY

LICK-N-STICK

Lovely is surprised when she steps out onto the back patio and finds her friend Arden fucking her fiancé, James. "Uh...James, honey...what are you doing?" Lovely asks. James grunts, and thrusts faster. "I'm getting ready to bust a nut!" he says. "Why don't you help me out and lick my balls?" Lovely seems puzzled by the request until Arden looks over shoulder and adds another. "While you're at it, can you lick my bunghole, too? You're an awesome BFF, Lovely. I'll be done soon, and then it will be your turn." Almost on cue, Arden cums on James' cock. When she finishes, she dismounts and lets Lovely take her place. James' cock is slick with Arden's juice and the feel of foreign wetness in her vagina makes Lovely orgasm quickly. We're sure your wedding will work out fine, Lovely. Just keep your mind as open as your vagina! 🍆

AN EVENING OF ELEGANT EROTICA AT **BIG AL'S** IN PEORIA

Photos by Bob Ferguson

A REAL CUSTOMER
RAVES: "I SAW THE
HOTTEST TWO-GIRL
SHOW EVER AT
BIG AL'S!"

SMALL CLUB GOES BIG

The World Famous Big Al's Gentleman's Club in Peoria, IL is literally right down the street from CHERI photographer Bob Ferguson's house. This is the strip club we'd stop at for beers when we got back from shooting *other* strip clubs! It was the folksy, neighborhood bar with cold brews and cute local dancers. But Big Al's has changed in recent years. We stopped in last month after shooting the Nudes-A-Poppin' show and we were blown away. This was one of the nicest gentlemen's clubs we'd ever been in! What happen to Big Al's? Big Al's has undergone a serious makeover in recent years. It's still got a full service kitchen and a bar that serves drinks until 4 a.m., seven nights a week (as any good drinking establishment should). But the place has gotten a facelift and now its all polished wood and shiny brass.

SPECTACULAR SHOW

You can party up in fine style in Big Al's private VIP rooms (or the ultra-posh Owners Suite) and pick up some cool Big Al's merchandise (t-shirts, tank tops, hats, sweatpants, sweatshirts, and more) before you leave. Though once you lay eyes on Big Al's dancers you'll never want to go home again. Some come from the cornfields and farms of Indiana, Illinois, and Kansas; others from urban centers to the north, Chicago and Milwaukee. They're some of the most beautiful, bubbly and bodacious ladies you will ever meet—and they're all up dancing on Big Al's stage! As one customer put it: "I saw the hottest ever two-girl show on stage at Big Al's. If the MC asks for volunteers to join the girls on stage, DO IT! Just don't be an asshole and try to touch the girls' private parts. Just enjoy the show...the girls are there to molest you!" Sounds like good advice, dude. Sounds like...heaven!

KEY	POWER OUTAGE	completely limp and flaccid	⚡	a little tingle, that's about it	⚡⚡	semi-erect
	⚡⚡⚡	not bad, boner-inspiring	⚡⚡⚡⚡	above average, hard and throbbing	⚡⚡⚡⚡⚡	classic! ready to spew!

PORTRAIT OF A CALL GIRL ⚡⚡⚡⚡

(Elegant Angel) Starring: Jessie Andrews, Darla Crane, Zoe Holloway.

Elegant Angel goes outside their comfort zone in this dark and powerful full-length feature starring a brilliant Jessie Andrews who's probably a no-brainer to win the AVN Best Actress award. In fact, this film is so well done, it could stand up as a mainstream movie even without the sex—but thank god for the sex, because it's hot, realistic and emotional, with Jessie in every scene! After her scumbag boyfriend Alec Knight beats her one too many times, a bloody, emotionally-broken Jessie cleans out his bank account and heads for the big city to simultaneously find herself and lose herself. Laughing one minute and crying the next, she spirals into turning tricks to feed her denial in a performance that's sometimes too realistic and sad for comfort—which only serves to make it so damn compelling! Jessie tells her shrink she wants sex to feel gross and dirty, and it's exactly that—not to mention warped and hot! All her therapy and self-defeating behavior do is make her squirting, DP, and first ever blow-bang orgy scenes that much better. In the end, you won't know if she's healing or still reeling—but you will walk away knowing you just saw one of the best porn flicks ever made!

GAPE LOVERS #7 ⚡⚡⚡⚡

(Evil Angel) Starring: Asa Akira, Kagney Linn Karter, Jessie Volt, Darla Crane, Jayda Diamonde, Britney Stevens, Brooklyn Lee, Anita Hengher, Roxy Raye, Hotkinkyjo.

Calling all donut-hole aficionados, milk-enema enthusiasts, and protruding colon connoisseurs: have we got a movie for you! Evil Angel's super-sphincter Director Jay Sin may have finally outdone himself in his seventh installment of *Gape Lovers*. A top-notch cast takes part in some sick butthole blowouts, stretched-out sphincter hijinks and rectal circus stunts that will leave you jaw-dropped, rock-hard and repulsed all at the same time. Little-known foreigners Hotkinkyjo and Anita Hengher set the twisted tone with a fucked-up farting face-off that's awkwardly casual and crazy, escalating into an ass-eating, finger-stuffing fiesta that's both bothersome and bonerfied. Then more well-known stars take over with super-sized strap-ons, rimming rituals, and demonic dildos that sure seem WAY too big for a butthole—yet they somehow manage to fit them in, defying both the laws of physics and morality! Britney Andrews steals the show though, as she literally pushes her asshole muscles inside-out before taking Sean Michaels' anaconda in her blown-out anus! There's never a dull moment, but plenty of queasy ones, in this wacky gape-a-thon gone bad. Seeing may be believing, but trust us, you ain't gonna believe this shit!

BLACKMAIL ⚡⚡⚡

(Digital Playground) Starring: Jesse Jane, Jessie Volt, Lea Lexis, Lily LaBeau.

A new Jesse Jane feature is cause for celebration in the world of porn. Especially when it comes to a big-time release like *Blackmail*, where loyal Jesse fans will simultaneously admire both her acting chops and her sexy body! The plot centers around the rehabilitated Ms. Jane finding a new love in Manuel Ferrera, but not coming clean about her previous porn lifestyle. When an old skeleton from her closet comes back to town (Scott Nails) and threatens to expose her devious past, Jesse is forced to do anything to keep him quiet—like taking massive loads to the face and spreading her crotch open upon demand! Jesse shines in a couple sizzling sex scenes, and the supporting cast offers up some delicious filler (particularly Jessie Volt's anal cowgirl ride), making this plot-heavy porn pretty damn interesting. Did we mention all the cum-swallowing these chicks do in-between their lines? *Blackmail* succeeds in striking the balance between nasty and fancy, and Jesse fans will find this her best all-around effort in years.

TOTALLY ASSFUCKED ⚡⚡⚡⚡

(New Sensations) Starring: Aletta Ocean, Amabella, Angel Rivas, Karlie Simon, Naomi.

Okay, it's safe to say the title of this anal-obsessed endeavor leaves little to the imagination. But who needs imagination when you have hours of ass-fucking to get to? Five straight forward scenes waste no time with small details like plot or dialogue, getting right to the rump! Little-known Amabella begins this butt-fucking bonanza by sucking cock and letting two dudes tease her pussy for about a second, but pretenses are pushed aside and her anus is pushed in thanks to a riveting DP that gapes this little girl's asshole wide open! Angel Rivas takes a dip in an indoor pool before Mike dips his finger in her sphincter. A few pokes later and he replaces his digit with his dick in her tushy-hole and rides her ass before globbing cum all over her face! Naomi gets her chocolate starfish double-teamed, and Karlie Simon impales her asshole on a big dick 'til she's screaming with "excitement." And then there's Aletta Ocean, who turns a gym workout into an asshole invasion thanks to her horny, anal-obsessed personal trainer. It's no frills anal, it's good, and it's definitely worth a watch.

BOMB ASS WHITE BOOTY 16 ⚡⚡⚡⚡

(West Coast Productions) Starring: Mason Moore, Cathy Heaven, Cami Smalls, Eva Legend, Mariah Kiss.

It's almost 2012, and we here at CHERI are as liberal and equality-minded as anyone. Still, there's something shocking—and titillating—about watching big, black brothers fuck the shit out of tiny white girls. The violation is so complete—with tender pink pussies and assholes split wide open—that it seems wrong. Yet, it looks so right! Cami Smalls is up first, bobbing on black cock before shoving that pecker up her big, jiggly ass. Cathy Heaven gobbles Mr. Marcus's tool, and then sticks it in her pussy and ass. Eva Legend makes an impressive debut in scene three, getting greased up and fucked hard. Welcome to porn, Eva! Mariah Kiss looks the cute girl next door—if the girl next door were abducted and sodomized by a gangbanger. Mason Moore wraps things up nicely, getting her plastic tits worked over and her tight bunghole stretched to the max. In addition to Mr. Marcus, *Bomb Ass White Booty #16* stars some of the hardest hitting black brothers in the business: Prince Yahshua, Mark Anthony, Wesley Pipes, and Rico Strong. If you want to see bomb ass white girls get their booties rocked, this film's for you!

PARTY GIRLS ⚡⚡⚡

(Wicked Pictures) Starring: Alektra Blue, Dana DeArmond, Taylor Vixen, Jana Jordan, Kaylani Lei, Lizz Taylor.

Party Girls is a light-hearted Wicked comedy without a complicated plot. That's not to say there isn't a storyline (we did say it was a Wicked movie, you know) but it's tolerably titillating and tasteful. Contract stars Alektra Blue and Kaylani Lei star in the suburban silliness as Kaylani obsesses over throwing the perfect sex toy party. Giant dildos, kinky sub-dom gear, sex dolls—you name it, they have it. When the girls aren't busy fucking the stage props, they're fucking each other, or their boyfriends, and all the sex is hot and heavy while the story remains lighthearted. It's a little annoying that every guy pulls out and plops his load on a girl's landing strip in exactly the same scripted way, but hey, it sure beats rubbers! All told, *Party Girls* is no party foul, and it's got its fair share of good laughs and good fucking, making it well worth a watch.

JAYDEN

JAYMES

THE LOVE BUG

The retro Volkswagen Beetle is an automotive classic, and one of James Deen's most prized possessions. He brings Jayden Jaymes down to check out his ride, thinking it will impress her. The Bug makes an impression, all right—now Jayden wants to fuck in it! "B-But we might mess up the interior...leave skid marks or cum stains on the seats!" James protests. "Don't be a pussy!" Jayden chides, crawling inside the vehicle so that just her fuckable ass is hanging out the passenger door. "Man up, and give me some dick!" James hesitates. "I just waxed it," he says weakly. "If you don't fuck me now, I'm going to hump your stick shift, and squirt all over your dashboard," Jayden says. "Let's go." No worries, James. You can get the car detailed afterward. Might need one of those little Christmas tree air fresheners, too. 🍷

JESSE

CAPELLI

TORI

BLACK

FRIENDS IN THE END

Jesse Capelli is the victim of a sexual attack. But there's no need to call the cops. It's just her pal Tori Black's way of saying hello. Jesse is spreading her blanket out by the pool, when Tori jumps out from behind a rock and grabs her. She twists Jesse around, and sticks her hand down the front of Jesse's bikini bottom, rolls her clit between her thumb and forefinger. "Take your bikini off, or I'll tear it off," Tori growls. Jesse immediately begins to disrobe. "Okay, jeez...chill out, Tori," she says. "I'd be happy to...oh, *ohhhh, aaaarrrrggghhhh!*" Her words are lost when Tori pushes her down on the blanket and starts tonguing her ass and pussy. Moments later she's cumming on Tori's face, glazing her friend's cheeks and lips with hot sauce. Ms. Black grunts like a beast. "Pussy...tastes...good," she says between licks. Yes it does, Tori. It brings out the animal in us all. 🍷
